

SENIOR DESIGNER - CIVIL

FMCIVIL Engineers is seeking a Senior Designer with a minimum 8 years Land development project experience to join our growing team. The position requires team collaboration and attention to detail, the ability to prepare grading, streets and utility plans (water, sewer and storm drain) with limited supervision. The candidate shall demonstrate knowledge of standard engineering practices and be proficient in AutoCAD Civil 3D software.

FMCIVIL offers competitive compensation package for our full-time associates that includes PTO, sick leave, health coverage and a 401(k)-retirement plan.

Please send resumes to: Francisco Martinez Jr. P.E at Francisco.martinez@fmcivil.com
